

WHO ARE THE FRIENDS?

They are a group of people who are concerned about the future of this fine building and are raising money to ensure that it will be saved.

The Friends also work to create more interest in the building so that it is used more extensively.

They plan to add to the beauty of the interior of the Church.

Since its formation, the group has raised thousands of pounds, created interest in the building and promoted many interesting and exciting events that have taken place in the Church.

A LINK WITH HISTORY

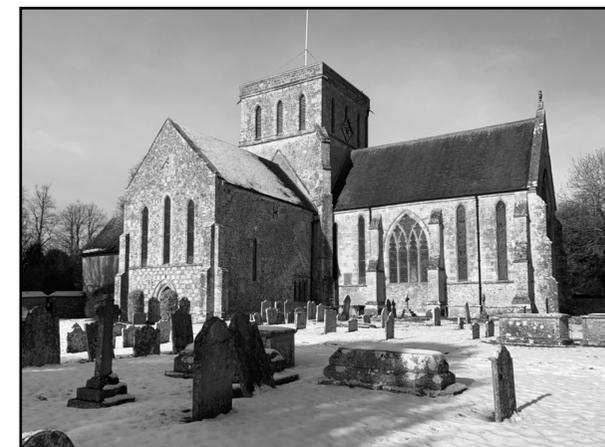

If you live or work in Amesbury then this lovely medieval Church is part of the history of your community.

If you were baptised or married in the Church then it is part of your family history. You may be one of the many thousands of people who visit it and are delighted to find peace and tranquility within this dignified building.

At least 1,000 years old, past generations have cherished and preserved it so that it is here for us to enjoy and use today. We believe we have a responsibility to maintain it in such a way that it is preserved for future generations.

That is why we invite you to become a
